

## Day Offices

Ever find yourself working in crowded coffee shops?  
Do you sometimes need peace & quiet away from  
your home to meet that deadline or just a private office  
setting to meet a client or associate?

Does your business have an agile working policy with  
most staff working from home? Do you sometimes  
need a face to face day rather than using online  
technology?

Are you an existing office client on the Wrest Park  
campus who may sometimes need an additional private  
space for staff to work in or have 1 to 1 meetings?

### **If so then our day office may be the answer!**

It's a great solution for all businesses who do not  
require a permanent, full-time private office space. You  
get a fully furnished office, with a telephone and ultra  
fast broadband connection. We also have a manned  
reception to create a professional image when meeting  
clients. Parking is free and you get complimentary tea &  
coffee too!

**Our Day Office is available from 9am - 5pm,  
Monday to Friday at only £60 + VAT  
Per Day for 2 people.  
(any additional persons are an extra £30 + VAT)**
